Cream 50 mL

## FEATURES

After an external aggression or aesthetic treatment performed on our skin may present some inflammation and moderate discomfort. The recovery time will vary depending on different factors. Healing products that soothe pain and itching, anti-inflammatory and antibacterial properties will be essential to complete the improvement of these.

Emulsion for any type of damaged skin with restorative, soothing, antioxidant and antimicrobial properties. Helps restore skin comfort, moisturizes and softens skin. Reduces irritation and promotes healing.

## ACTION

# MULTIREPAIR CREAM

## INDICATIONS

Indicated for burns, skin irritations, scratches, post laser treatment, peeling, lifting, post depilatory ... do not apply to open and / or suppurating wounds.

Apply in the area to be treated dry and clean 3 to 4 times a day with a gentle massage until completely absorbed.

## Our Products

In our company we only use simple, efficient and recyclable packaging with a clean and functional design and concentrate our efforts and costs on what is truly important for your skin: the quality of the ingredients and the production processes.
